

Integrated Co Teaching (ICT)

PS 198 The Isidor and Ida Straus School

Andrea Franklin, Grade 4 Teacher

Natasha Djuravcevic, Grade 5 Teacher

LynnMarie Hansen, Grade 2 Teacher

Katharine Macmanus, IA Principal

Overview of Integrated Co-Teaching (ICT)

- ★ ☐ What is an Individualized Education Plan (IEP)?
- ★ ☐ Changes in Special Education Initiatives, ICT
- ★ ☐ Curriculum, progress reports , licensing- how ICT looks in all classrooms

Specialized Teaching Structures to Enhance Support to ALL Students

- ★ ☐ **Parallel Teaching:** same lesson, half the students
- ★ ☐ **Station Teaching:** rotating through small groups
- ★ ☐ **One Teach, One Observe/Support:** extra eyes and ears dedicated to students
- ★ ☐ Increased small group/ individualized instruction during independent work times

One Teach One Support

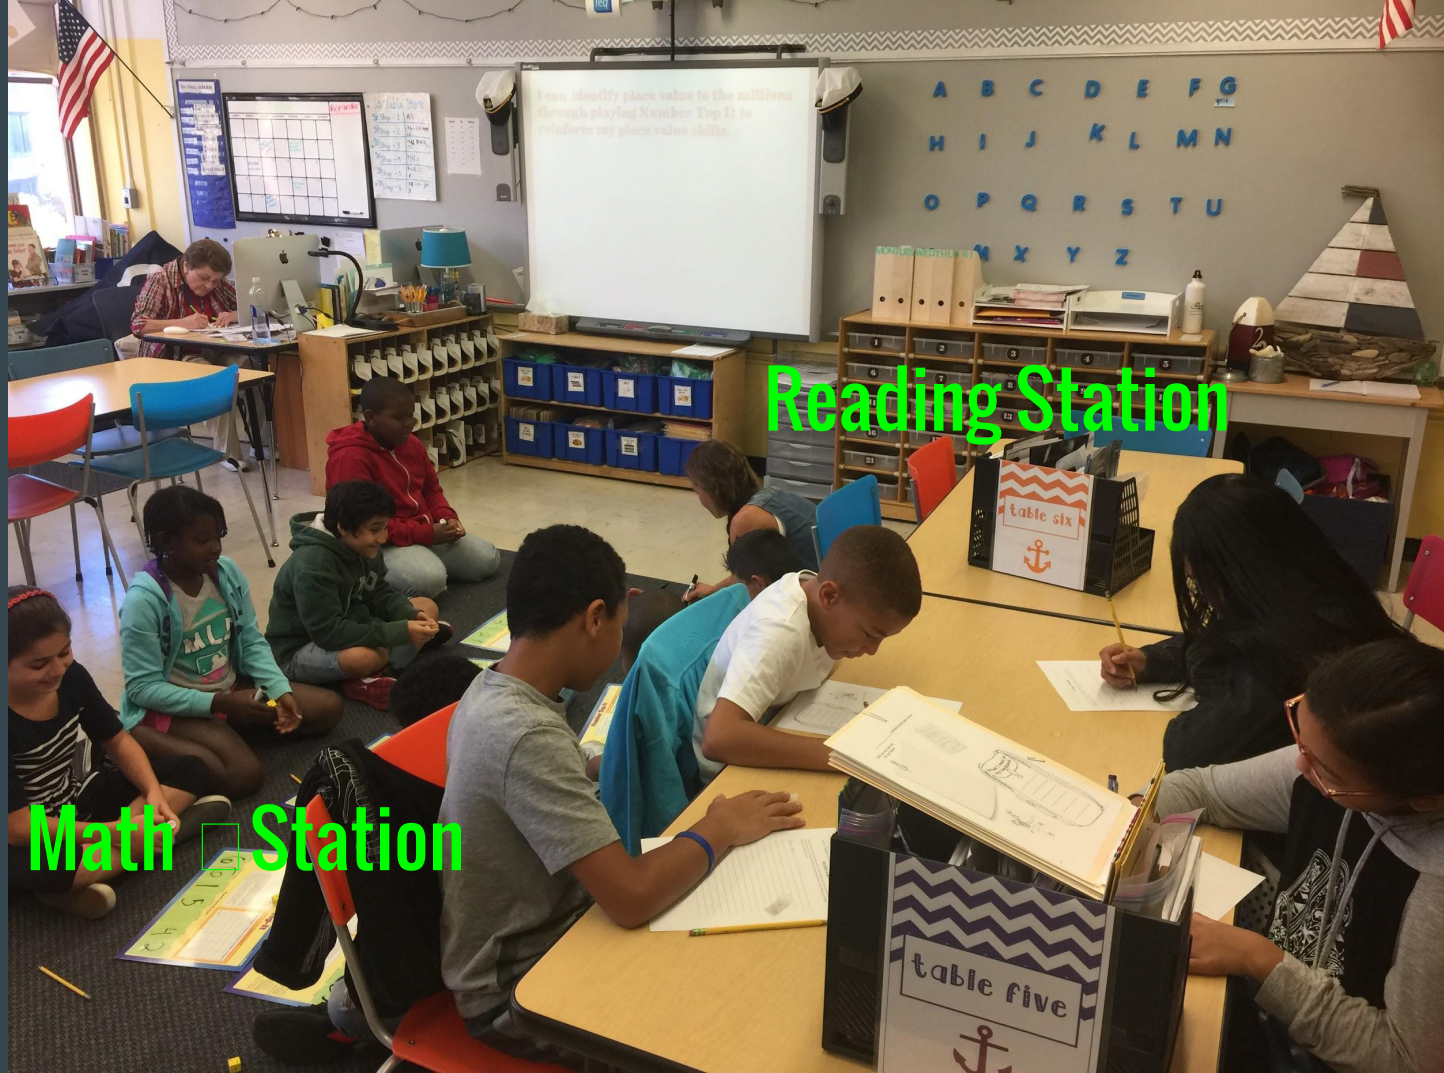

Parallel Teaching

Ms. Rindone

Ms. D

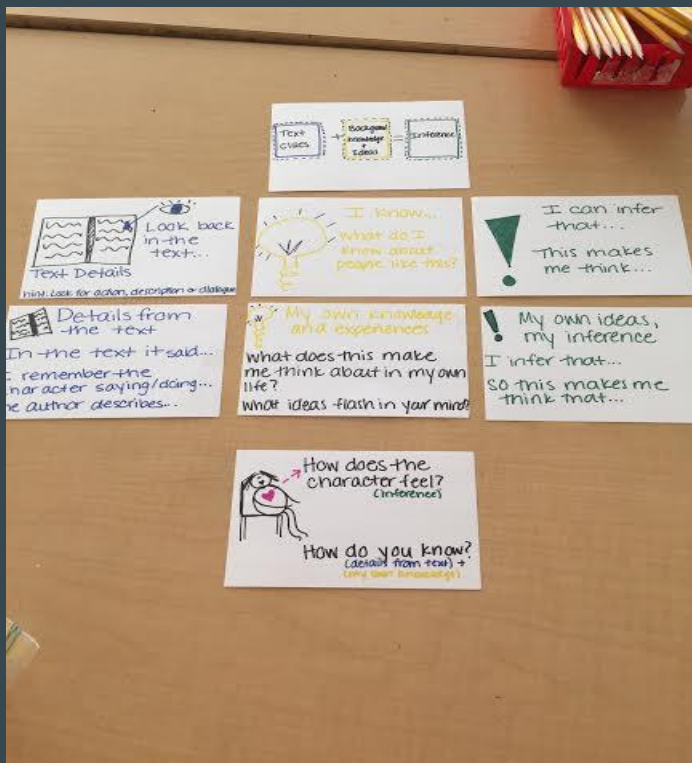

□ Station Teaching

Supporting Students Through Universal Design for Learning (UDL) and Differentiation

- ★ ☐ Assessment first, last and always to inform UDL planning
- ★ ☐ Differentiating tasks at school and at home
- ★ ☐ Individualized tools and supports

Tools to Support the Entire Class

Points: (1 point each)	Components of a Paragraph	Looks/sounds like...
	Topic Sentence	Restate the question or introduce your idea
	Elaboration sentence	Explain your topic sentence "I think _____ because...."
	Example from the text	"The author shows _____ when..." "An example of _____ is when..." "According to my research..."
	Second example from the text	"The author also shows _____ when..." "Also"
	Insight	How do your examples support your claim? "These examples support my idea that _____ because _____" "This means..."
	Concluding Idea	Relates back to the topic sentence

20's
20's
140 laps

Answer:
Jeff swims 140 laps in one week

*here I use another method to solve

*If the question is asked in words, I must answer it!

Numerator

$\frac{3}{4}$

Denominator

Visual Model

Unit Fraction

$\frac{1}{4}$

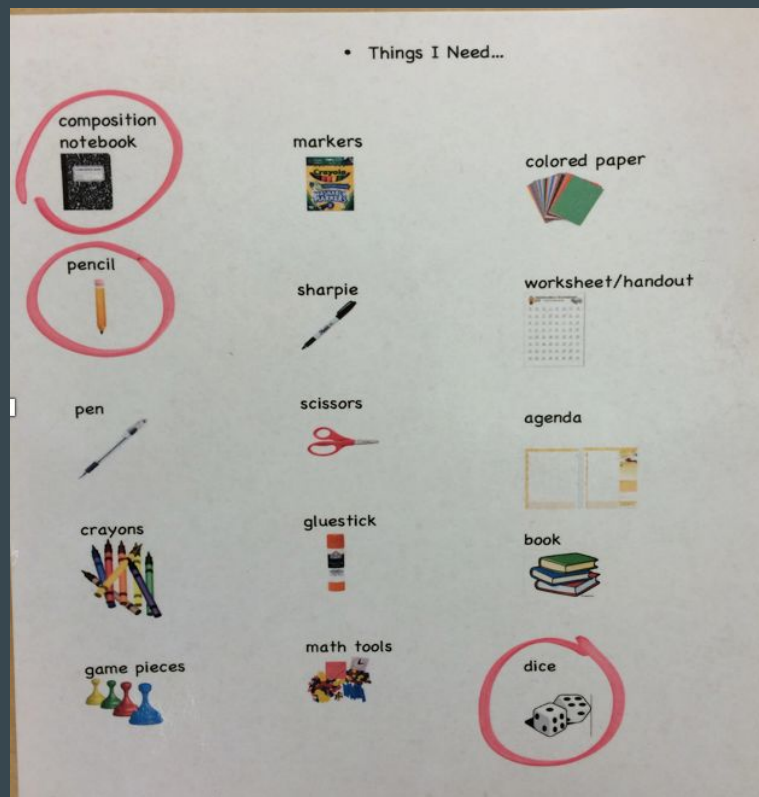

A fraction with a numerator of 1

Mixed Number

$1\frac{3}{4}$

A notation that includes a whole number and fraction

Tools to Support Individual Students

~~Student's~~ Morning Checklist

To Do	Monday	Tuesday	Wednesday	Thursday	Friday
Enter the classroom and walk directly to your seat. You will hear a song playing.			✓	✓	✗
Take everything out of your bag			✓	✓	✓
- snack			✓	✓	✓
- planner			✓	✓	✓
- book baggie			✓	✓	✓
- notebooks and folders			✓	✓	✓
- worksheets and homework assignments			✗	✗	✓
Hang up coat and backpack on my hook before the song is over			✓	✓	✓
Look at the SmartBoard for morning work directions and get started			✓	✓	✓

Tools to Support Individual Students

Wondering about character
Motives? "But... WHY!?"

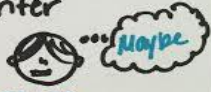

① Re-read

Back it up...
Maybe an earlier
event will give
a clue

② Infer

Think it
over. You
may need to rely on
your own experiences

③ Read on

Let it down...
maybe it will be
explained later

Summarize
by saying
events in order

(First, then, next,
after that, finally)
