

Fourth Grade Supply List

2021-2022 School Year

Below is a list of general supplies all students will need for the fourth grade. Given that there is limited storage space within our classrooms, we may ask for additional items as they deplete throughout the school year. Thank you in advance for your support.

- **Individual Supplies:** To prevent the spread of germs, we are asking that students maintain individual materials that will not be shared with other students. These materials can be kept in a plastic pencil case that is labeled with your child’s name.
- **Classroom Supplies:** These materials will be used by all students in the classroom.

Individual Supplies

- 1 pencil case (if a student doesn’t bring one in, they will be supplied with a plastic baggie)
- 5-6 composition notebooks, **black-and-white** and **wide-ruled** preferred (Please **NO** spiral-bound notebooks)
- 6 sturdy, plastic 2-pocket folders
 - colors: red, yellow, green, blue, purple, black

Note:

In order to help your child organize and maintain their materials for each subject, we follow a **color-coding system**. We ask for folders to be purchased in the above colors to help students recognize and easily grab the materials they need to work! **One notebook and folder will be used for Science.**
