SOME NOTES:

- For some programs, families may combine after school options to fit their needs (i.e. two days of Chess and three days of KING). Please confirm any combinations and individual schedules with program staff directly.
- After-school program start and end dates vary. Please note the start/end date of your chosen program so you can make dismissal arrangements accordingly on days there is no after school.
- Remember - please communicate after school dismissal plans with your child's teacher and keep them updated with any changes throughout the year!
